Shorts pass at HHSS

Students at Haliburton Highlands Secondary School will be allowed to wear shorts during the months of May and June.

The Board of Education gave approval to the change in the school's dress code for a trial period after hearing a representation from the students' council president Daryll Goodall at the February 23 meeting.

The students' council president told the trustees that temperatures in the school often reached 30 degrees during the final two months of the school year. He noted with excess humidity, it can be very uncomfortable for the students and said that staff in federal office buildings can be sent home if the interior temperature climbs that high. Mr. Goodall pointed out that the school was not air conditioned.

He said if the students were allowed to wear shorts, they would be more comfortable and therefore more productive. He said the students' council had set a standard length and style for the shorts which would be acceptable and the student organization would assist in policing the temporary policy.

High school Principal Andy Hemphill told the meeting that a poll among high school teachers indicated strong support for the change. He said 25 teachers favoured the suggestion, 12 were opposed and 6 offered no opinion. Among the comments included in the staff poll was the suggestion that, by involving the students in the policy making process, the staff and board would enhance the students' sense of "ownership" of the school environment. Another comment suggested the introduction of shorts as acceptable

(more on page 3)

Young Ryan Sisson became Anson Hindon and Minden's Deputy Fire Chief for a while last week when the kids from Village Children's Daycare Centre visited the fire hall. Bob Wells retired from the post for a few minutes to help Ryan adjust to the new job.

Victoria Street School

Serious problems detected

The Haliburton County Board of Education received some disturbing news about the condition of the Victoria Street School in Haliburton last week. During the report from the trustees who attended an accommodation meeting at the school a week earlier, it was revealed that an evaluation of the present school had turned up a number of serious shortcomings.

The report, prepared by the architectural firm of Critchley, Delean, Trussler and Evans and based on what was described as a quick one day inspection of the school, recommended that the original four room school be abandoned for classroom use, that the portable classrooms be abandoned for class use, and that the two classrooms built in the 1960's could be saved for alternate use.

The recommendations of the report seemed to come with little surprise for the trustees who have been wrestling with the future of the school, the

main portion of which was constructed in the 1920s.

Throughout the architect's report, references were made to construction and materials that did not conform to building code or fire code standards. A list of the deficiencies noted in the report are enumerated below.

Dorset Trustee Dave Villard commented on the report, saying that if something is not done in the next few years, the board would be forced to undertake a major renovation of the building or replace it altogether. Haliburton Trustee Len Salvatori said the basement of the old structure is damp and smelly. He said, if something should occur in the basement, alluding to a fire or other emergency, it

(more on page 9)

Skiers love trails

About 800 cross country skiers and coaches had a taste of skiing the Highlands last Monday and Tuesday during the OFSAA ski meet, and they were certainly not disappointed by the experience.

The spectacular meet, hosted by Haliburton Highlands Secondary School, went off without a hitch despite inclement weather on the opening day.

HHSS teacher and site director John Fitzgerald said the entire event was tremendous. "Overall it was excellent. The coaches and skiers loved it. They said it was one of the best they had ever attended."

With about 700 skiers

(more on page 2)

Morale is high

If low morale was ever a problem with the Haliburton ambulance crew, a meeting with members of Anson, Hindon and Minden Townships Council last Wednesday turned that around.

In early January, council responded to published accounts of low morale from the ambulance employees by arranging for a meeting. That meeting was held last Wednesday at the ambulance hall in Haliburton Village, and afterward the men expressed enthusiasm about having Minden take over the management function of the service on a permanent basis.

Until last October, the Haliburton ambulance service was managed by the municipality of Dysart et al. For some reason the Ministry of Health then asked Minden to accept management responsibilities on an interim basis until the service could be contracted out.

This sudden shift, accompanied by more future uncertainty spawned an ill-fated attempt by the

workers to unionize.

After Wednesday's meeting, the employees stressed that the attempt to form a union was not a result of Minden taking over the management. In fact, the original application was made to Dysart when the employees were unsure of where the management responsibilities would be going. The main fear was that it would be tendered out to a private operator from outside the county. If that happened, their jobs could be in jeopardy.

The complaints of poor morale, which were expressed at an inquiry in January were just bad timing, the employees said. When Dysart lost the licence, the employees felt they were "hung out to dry". However, they are now convinced that Anson, Hindon and Minden has the best interests of the employees and the service at heart.

(more on page 3)

'They did us proud'

700 compete in OFSAA

About 700 racers tested the cross-country ski trails around PineStone Inn last Monday and Tuesday during the OFSAA ski meet. During the Monday races, skiers coped with blinding snow, but on Tuesday, the sun was shining again. The massive event saw the best high school skiers from all over Ontario and was organized by staff and students of HHSS.

(from page 1)

competing in this Ontario high schools championship, the six local skiers were up against some very tough competition. It was quite an accomplishment for Lindsey Tashlin and Matt Creelman to place in the top half in their events against this "future Olympic material." Other HHSS skiers Laura Cross, Karen Elstone, Lesley Tashlin and Paul Robinson also put in good performances. "They did us proud," said Fitzgerald.

But the biggest success for the high school was in bringing this huge race off. About 100 Grade 12 physical education students were involved as spotters around the trails, timekeepers and in other organizational functions. There was also a tremendous amount of support from the community, from the Nordic Trails Association and from the chamber of commerce in seeing this event through.

Fitzgerald lauded Glen Blair from the PineStone Inn for his work in bringing the trails into condition after Monday's storm. He said they were in excellent condition and beautifully groomed even after the rain on Monday.

In the overall senior standings Orangeville took top honours, while Gloucester was the winner in the juniors. The best results from the Central Ontario region came from Trinity College and Lakefield. Trinity took fifth overall for the junior boys with a string of fifth place finishes. Lakefield took fifth in the junior girls and fifth in the senior girls.

Tawny Owl, Bev Manuge, offers a helping hand to one of the members of the Minden Brownie Pack during the annual Thinking Day ceremonies held February 22 at the United Church in Minden. Brownies, Guides and Pathfinders from Minden, Haliburton and Wilberforce took part in the celebration.

Employees are satisfied

(from page 1)

There should not have been bad morale," one employee commented. "We had the impression that Minden Council didn't care. We were wrong."

The employees are satisfied that Anson, Hindon and Minden council has lived up to every promise they have made to the employees so far and are now hoping that the ministry will grant the licence to the municipality on a permanent basis.

There are no guarantees that the ministry will be willing to do this. However, the fact that Minden was offered the service on an interim basis demonstrated that the ministry has confidence in this municipality.

Since the ministry controls all the funding for the ambulance service, this good rapport with Minden is seen as an asset in bargaining for better wages and working conditions. The employees are also pleased with the amount of experience that townships clerk Mary Mysyk has in these matters.

If Minden is granted a permanent licence to manage the service, it will be combined with the Minden service and run as one unit. Council has agreed to negotiate in good faith for an improved budget and wages on behalf of the employees.

Under the circumstances, the employees feel the take-over by Minden has gone as smoothly as possible. They are also optimistic that once the Minden and Haliburton services are combined the service will see much improvement.

Over the past year, the two ambulance services have "advanced in leaps and bounds." The number of full-time employees was increased substantially, and recently the dispatch service was centralized out of Lindsay. The combination of the Minden and Haliburton services will be another move forward in terms of working conditions and patient care.

Dorset Acid Rain Report

The following is the latest (two week) report on precipitation from the Ontario Ministry of

Shorts okayed

(from page 1)

school apparel would detract from the business-like atmosphere of the institution.

It was noted the change would be for a trial period only and that a review would be carried out in September to determine if the policy should be changed permanently. The principal said he saw no more problem in enforcing the regulations on shorts than in enforcing other elements of the school's dress and conduct code.

Comments from the trustees ranged from concern over the deterioration of decorum caused by the introduction of shorts, to a discussion of whether pattern shorts or solid-coloured shorts would be allowed, to a suggestion that the students should be given an opportunity to demonstrate that they can accept the responsibility that goes along with this change. In the end, the board endorsed the policy on a trial basis, with the provision that the shorts be of the style and fit displayed at the meeting and that they be a solid colour.

Environment acid rain testing station at Dorset as compiled by Environment Canada:

- on February 7, 3 cm of snow, pH 4.3, from Illinois, Indiana, Ohio, and southern Ontario.

- on February 8, 1 cm of snow, pH 4.3, from Lake Superior, Michigan and southern Ontario.

- on February 9, 1 cm of snow, pH 4.1, from Illinois, Michigan and southern Ontario.

- on February 11, 15 cm of snow, pH 4.2, from New England, New York and eastern Ontario.

- on February 12, 11 cm of snow, pH 4.1, from northern, southern and eastern Quebec.

- on February 14, 13 mm of mixed snow and rain, pH 4.1, from West Virginia, Virginia, Pennsylvania and southern Ontario.

- on February 15, 7 mm of mixed snow and rain, pH 4.3, from West Virginia, Ohio, Pennsylvania and southern Ontario.

- on February 16, 2 cm of snow, pH 4.1, from Illinois, Michigan and southern Ontario.

- on February 17, 1 cm of snow, pH 3.9, from

Wisconsin, Michigan, and southern Ontario.

- on February 19, 13 cm of snow, pH 4.3, from Virginia, Pennsylvania, New York and southern Ontario.

- on February 20, 6 cm of snow, pH 4.1, from Pennsylvania, southern and central Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Staggering

An architectural report recently completed on the condition of Victoria Street School provides some staggering observations which lead us to wonder why children are allowed to enter that building day after day.

This report, which was obviously conducted to justify the future closing of the school, lists numerous reasons why anyone, let alone children, should not be allowed to spend five days a week waiting for the inevitable to happen. If this report is even a slightly accurate description of the conditions of this Haliburton Village school it should be closed down immediately.

On the other hand, if this is not an accurate description of the condition of this building, then it should not be used as a tool for consideration on the future status of the school.

This report, conducted by architects Critchley, Delean, Trussler and Evans, has been described as a quick, one-day inspection of the building. If this is indeed the case, we can only imagine what other shortcomings might be discovered should a thorough examination of this decaying building be conducted.

The original building, constructed in the 1920's is obviously in the worst condition. However, the additions and portable classrooms are also riddled with problems. While it appears the addition could be upgraded and salvaged for alternate use, it is clear that the building, as a whole, should no longer be used by our children.

The architect's recommendation for original buildings sums up our feelings precisely: "Abandon the building for classroom use."

—Soaking up the sun—

In praise of mediocrity

by Arthur Black

Victor Hugo once wrote: "There is one thing stronger than all the armies of the world: and that is an idea whose time has come." I wish Victor'd taken the trouble to pencil in the obvious corollary to that rule: "there is nothing more useless than an idea before its time." It's true. Alexander Graham Bell was laughed at for his idea that people could talk to one another over vast distances through a skinny wire. The public scorned J.A.D. McCurdy for thinking he could get an ungainly contraption called The Silver Dart off the ground. I'm sure if we could send Knowlton Nash far enough back in time he'd bring us a report of riots and civil unrest in the Neanderthal valley cave complex where a mystic by the name of Urk had been stoned to death for fooling around with something he called "Fire".

Don't even have to go that far back. Only a couple of hundred years ago we were burning so-called 'witches' at the stake for thinking unfashionable thoughts.

Nowadays they'd probably have their own Talk Show.

Well, at the risk of courting a gravel shower or an in-depth hot foot, I'd like to put forth an idea whose time I think has come.

Mediocrity.

I believe the time has come to get down on our

knees and venerate our second-bests, third-rates and also-rans.

That's what this country needs! Not a five-cent cigar or a chicken in every pot or toe rubbers that actually stay on or even a brain scan of Toronto Maple Leaf management - we need a coast-to-coast, tax-deductible, government-sponsored, non-denominational Church of Mediocrity!

Actually, it's not even an original idea. A Spanish writer by the name of Jose Ortega y Gasset suggested something like it years ago. He wrote: "What makes a nation great is not primarily its great men, but the stature of its innumerable mediocre ones." A few years ago, *New York Times* journalist Tom Wicker wrote an essay entitled *In Praise of Mediocrity* in which he suggested that America's quest for men of great intellect for the Presidency was all wrong. Most Americans were mediocre, argued Wicker, therefore did they not deserve mediocre leaders?

Unfortunately for Wicker, the next President of the United States was Gerald Ford, a man who put his thesis to the test and found it wanting.

As for Canada, well, we had our fling with the Philosopher - King, Pierre Trudeau. Life did not noticeably improve under his reign.

As a matter of fact, we never came closer to losing Quebec, the West and anyone in Washington who would accept a collect call than we did when the Lofty One patrolled the Bytown battlements. Canadians

learned the lesson well - they went from voting in The Most Formidable Canadian In History to marking their ballots for Joe Who.

When you think about it, Canada could become a world leader - if that's not a contradiction in terms - in the worship of Mediocrity.

Heck, we've got the Toronto Maple Leafs, the Vancouver Canucks, the entire CFL, the city of Oshawa ... a cabinet minister who's actual name is Herb...

Gray!

This country *knows* mediocre!

Besides, when it comes to mediocrity in human form, Canada can boast the ... well, whatever the opposite of *creme de la creme* is. There is one Canadian who stands feet and ankles below the crowd when it comes to ordinariness. A paragon of pedestrianism, a chieftain of cheesiness, an absolute saint of the sub par and the so-so ... a man who was mighty in name and nothing else ...

William Lyon Mackenzie King.

This, ladies and gentlemen, was the world's Machiavelli of Mediocrity - a man whose best friend was his dog, who communed with shaving mirrors and predicted that Hitler would "rank some day with Joan of Arc".

This is the man whose most famous pronounce-

(more on page 14)

letters letters letters

Greetings from Australia

Tyna Hie is a Minden high school student who is spending a year in Australia on an exchange program co-ordinated by Rotary International. Her involvement in the exchange is sponsored by the Rotary Club of Minden. In the following letter, Tina offers some of her impressions of the land down-under.

Dear Minden.
Hi, how's things?!
This is Tyna Hie writing to you from the land down under!"

Well... I arrived in AUZ on August 23rd after a 22 hour flight. I landed in Sydney and was whisked away to what Australia calls a small country town of 25,000 people called Goulburn. The town reminds me somewhat of Lindsay.

The people are friendly and quite ready to help you if you need it. The very first surprise I experienced - was to drive into Goulburn and see a large K-Mart sign, no Zellers, just K-Mart - I was amazed!

The climate in Goulburn varies from season to season. The temperature has a range of 9 degrees C-40 degrees C and some-

times hotter!

I attend one of the four highschools located in Goulburn.

I am presently enrolled in Mulwaree High, a state run school on the outskirts of the town.

The uniform that I wear consists of a dark green skirt and sweater and beige blouse. Everyone wears the uniform so no one looks out of place. The students enter high school in yr. 7 and finish in yr. 12 at about the age of 18 or 19.

"Endeavour to Achieve" is the school's motto, one that most students take to heart.

Goulburn is an industrial city where a lot of the

country's "Merino" wool is refined.

Goulburn supports a police academy, a maximum security prison, and a mental institution. This is a city of many trades!

Australia has been treating me very well but I still miss my home-land and my home-town and I'd like to thank the Minden Rotary, the Walker family and my friends and especially my family for the support and encouragement I've received.

Gotta go,
See you later - from the land "down under".
Yours,
Tyna C. Hie.

Grosbeaks - a colourful flock

outdoors

Federation of Ontario Naturalists

by Marion Strebig

On an overcast day in late January, I was sloggng along on cross-country skis. The temperature hovered around freezing, and the gloom was punctuated intermittently with flurries of large light snowflakes.

The woods had been silent except for the occasional eruption of chickadee chatter and a muted tapping which might have been a black-backed woodpecker. But

as I rested for a moment at the top of a hill, I heard the noisy bickering of a large flock of birds which had gathered in a mature beech about 30 feet from the path.

The light was bad and I did not have my binoculars with me, but I could see their bills which were wide, chunky and powerful. Then I caught a flash of lemon-yellow outlined with black and white and I knew what they were - evening grosbeaks.

I stood and listened and

watched the lively group until they took off, travelling in undulating flight just above tree level. They were a welcome sight on such a grey, silent day, the males vivid in lemon-yellow, white and black, and the females, demure in a chic sort of way, their dove-grey set off by black and white wing markings and by their jewel-like, cone-shaped, lime-green bills.

The Evening Grosbeak, a strictly North American species, breeds from coast to coast across Canada and, in the east, south into New England. In the 19th century, it was not found east of the Great Lakes. But by the 1930's it had moved gradually eastward, drawn in part by the wide-

spread planting of the Manitoba maple, whose seeds it relishes.

Evening Grosbeaks enjoy many kinds of wild fruit. Attracted by the constant clee-ip calls of a flock, I have often watched them in August scoffing chokecherries or pin cherries, cleaning one tree methodically before moving on to another.

The *Atlas of the Breeding Birds of Ontario* found nesting records difficult to obtain, partly because the nests were located high in the dense foliage of conifers. It does breed mainly along the Canadian shield, although its nesting range appears to extend both farther south and farther north.

Adam Tomlinson had some pretty big boots to fill last week when he was outfitted in firefighter's gear. Adam was one of the children from the Village Children's Daycare Centre who visited the firehall.

Regrets for Esther

Let's get one thing straight. I do not like Jimmy Swaggart. I think he is arrogant, boorish, and at times abusive and ignorant. In the words of a beloved colleague, he is the Don Cherry of television evangelism. He makes great showbiz.

In spite of all that, I could not help but feel a great sadness for the man and his family at the news of his fall from the heights. It just adds more grist for the mill of the cynic's unbelief, more jokes on the David Letterman Late Night, more speculation on the effects on Pat Robertson's standings in the primaries, more interviews on the Journal with Canadian Christian T.V. hosts about the effects of this latest scandal on the revenue.

It's a sadness borne out of the realization that the television media have an uncanny ability to destroy the gods they create.

What made Jimmy so visible was the medium of television. He could preach, shout, cry the Word as he deemed God saw fit. And people all over the continent

directions

by Edward Moll

who saw him on the flickering screen either ate it up or spit it out.

However, what he thought could be kept in secret is now shouted from the housetops, to the grief of his wife and kids, and to the barely concealed smirk of the media. I feel sorry for the family having to undergo such public humiliation, for the sake of a fool. I am sad for the media, so starved for meaning that they have jumped on another "religion, sex, and politics story" like dump-pickers on a Friday afternoon.

I'm sad, too, because of Esther. I thought of her

during the reports of Jimmy's downfall. Jimmy doesn't know Esther. Esther knows Jimmy very well. Or thought she did. She watched him faithfully every morning. She was inspired by his no-nonsense approach, by his sincerity, by his "Bible-based" preaching. She disagreed with his opinions on capital punishment, but on the whole, Jimmy was a Godsend to this lonely widow in her seventies, and she returned her gratitude by giving regularly and generously to Jimmy's ministry.

Esther finds it difficult to cope with a world that is changing so rapidly. She is concerned for young people and their lack of interest in the world. She is finding more and more that the Christianity she grew up with no longer has an effect on society.

Esther is a woman possessed by a warm, vibrant, personal faith in Jesus Christ. And I am sad because the cold world is once again creeping into the living-room, and chilling her faith as Jimmy confesses his sin to Esther...

Actors succeed in difficult dinner theatre setting with 3 one act plays

The people who brought you dinner theatre during the summer are back at it again and doing an excellent job.

The owner of the Maple Sands Resort, Curtis Eastmure, and Heather Scully, both alumni of the Highlands Little Theatre group, have combined their talents with newcomer Don Lethbridge to present three one act plays.

The plays are a regular Saturday evening feature at Maple Sands Resort with those staying at the resort making up the majority in the audience. There are, each week, a limited number of extra seats which are available to the general public. Those interested in making an evening of it, can start with a dinner, relax beside the fireplace, then join the crowd in the temporary theatre in the resort's recreation room.

Dinner theatre is always a tricky thing to pull off. The casual seating arrangements, the informal atmosphere leading up to show time, and the generally more relaxed setting makes it more difficult to capture and hold the audience's attention. Such was the case when we recently attended. Working against these odds, the three member

troupe is to be congratulated for the success of their presentations.

They deserve additional praise as well for including a serious drama in the three plays. Other groups would have opted for three light-hearted comedies, sure crowd pleasers. In all three presentations, the actors grabbed and held onto their audience through most of the presentation, a credit to their skill and effort.

The opening presentation of the evening was the light but humorous *To Open, Pry Cover* by Reg Lynch. As the title indicates, the story revolves around one man's struggle to open a jar of pickles, while his somewhat flighty wife provides the foil for his rantings and ravings against the pickle manufacturer. The play attempts and succeeds in capturing a slice of life, bringing a smile and a chuckle as the audience recognizes itself in similar situations.

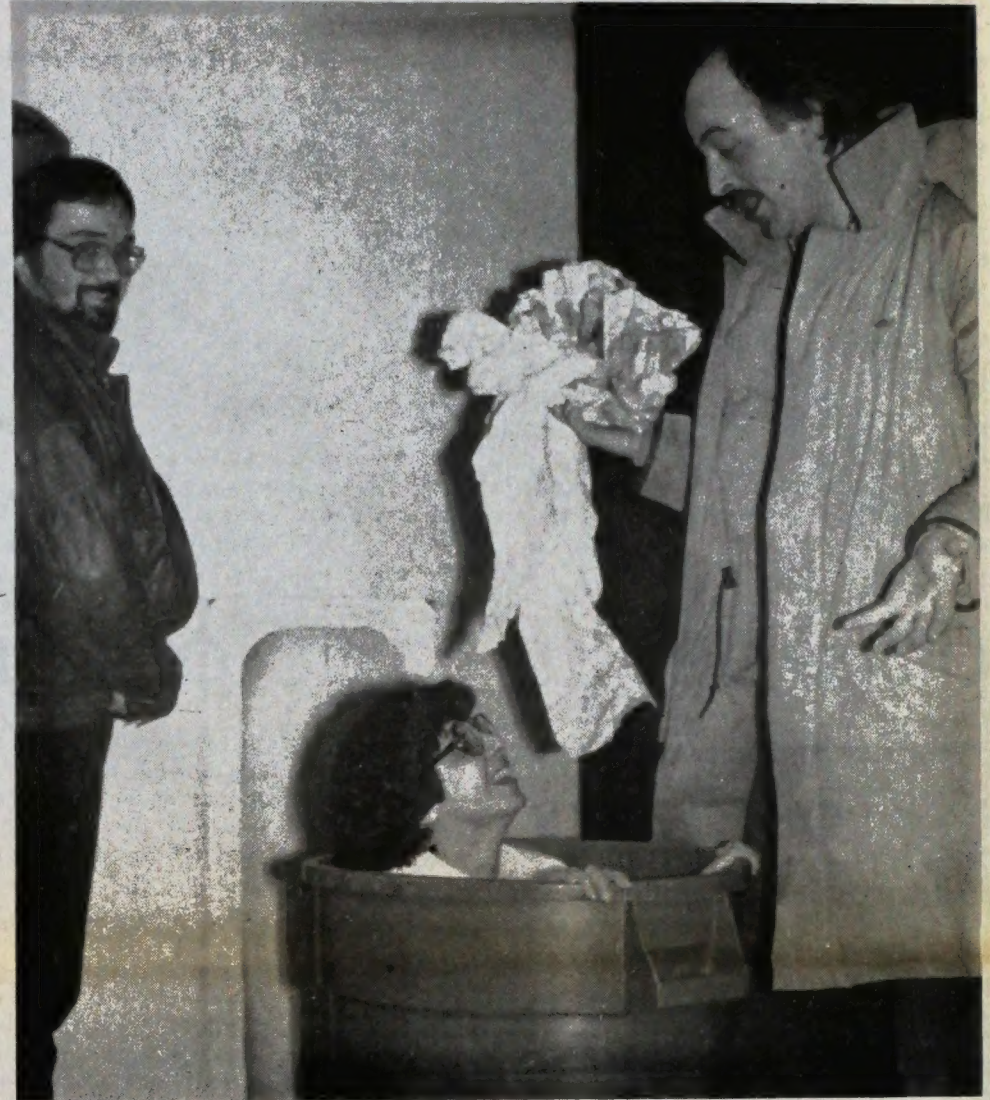

The second play, *Heat Lightning*, by Robert Carroll, portrays the dilemma of a young woman caught in an isolated bus station with two men, one of whom recently attempted to assault her. Unable to identify the assailant, when

the bus arrives, she is torn between leaving with one of the men or staying with the other, knowing that her choice would seal her fate. The choice she makes and the reasons for doing so provide an interesting twist to this not unfamiliar theatrical ploy.

Certainly the most entertaining play of the evening was the final presentation, *The Valedictorian*, by Charles Smiley. Set in a men's washroom in a bus depot, principal actors Curtis Eastmure and Heather Scully are thrown into a battle of wills, wit, and one upmanship in which the audience is the winner. The play is a charming piece of comedy ably handled by these two veterans and makes a fitting finale to the evening of live theatre.

A brief note about supper: there were three selections on the evening menu on the night we attended, trout, roast beef and chicken. With a table of four, we were able to get an assessment on each dish ... delicious, on all three counts.

Unfortunately, there are only two more nights of dinner theatre at Maple Sands Resort. The current run ends March 12.

What's that woman doing in a garbage can? And in a men's washroom too! It's all part of the fun in the Maple Sands Resort dinner theatre presentation of the one act comedy, *The Valedictorian*. Heather Scully is the actress caught in the dilemma, while Curtis Eastmure, right, and Don Lethbridge look on in surprise.

School riddled with problems

(from page 1)
would be a scramble to get out of the building safely. It was also pointed out at the meeting that if the

board was to attempt any renovations to the building, it would have to bring the entire structure up to present building and fire code standards.

The following problems

were noted in the assessment of the original four room school, built in the 1920s:

- tentest and other combustible wall finishes

throughout are non-conforming.

- the present stairs are open and do not meet exit requirements. Basement window ladder exits are unacceptable.

- doors, frames and transoms are non-conforming.

- there is evidence of structural settlement and or movement at the upper floor corridor walls.

- the original wood fired hot air furnace has been replaced with a ducted hot air system. Some openings between floors are still visible and there is no adequate fire protection or fire dampers in the duct system.

- there is no apparent approved smoke, thermal or fire detection system.

- lighting systems of 6 incandescent bulbs per classroom is inadequate.

- the basement spaces used for students and staff is unacceptable.

The following problems were noted in the two room addition added to the school in the 1960s:

- the ceilings are non-conforming and should be replaced.

- cedar plank and plywood walls are non-conforming.

- there is no fire wall or fire separation between the original stairs and the corridor.

- although the classrooms are generally satis-

factory the portion of the building is surrounded by the non-conforming original school and subsequent portables.

- the furnace for the hot air heating system is located in the original building.

The following problems were noted in the three portable classrooms adjacent to the school:

- the horizontal distance between the existing building and the first portable and between adjacent portable is approximately 6' - 0".

- some of the plywood wall finish is rotten and the plywood is delaminated.

- windows are unacceptable.

- lighting is inadequate and many of the plastic fixture lenses are severely discoloured.

The report also commented on the school site, noting that the sharp variations in ground level restricts what can be done with the school. It noted that the playground may be located in a flood plain.

The next meeting of the school's accommodation committee is slated for March 8.

After a four game struggle, the HHSS Redmen hockey team went down at the hands of the Fenelon Falls Falcons. The Falcons 3-2 win on Friday finally broke the stalemate that prevailed after the teams battled to a three-all tie on Thursday. The Redmen won the opening game in the playoffs but lost the second game.

Celebration '88 Volunteers are honoured

With the Olympic Games in Calgary well under way, 27 residents of Anson, Hindon and Minden Townships were rewarded for their contributions to the community in the spirit of the Olympics.

During a special ceremony last Thursday evening at the Minden Community Centre, six people received medals from Victoria-Haliburton MP Bill Scott for their contributions to local sports through participation, coaching, officiating, sponsoring and volunteering. In addition, another 21 residents received certificates recognizing their involvements in sports and cultural activities in the community.

The following six people are the recipients of the medals, which are being provided by the Federal government to coincide with the running of the Olympics:

Neil Burk

Neil Burk was named the male athlete for Anson, Hindon and Minden Townships during the Celebration '88 ceremonies at the community centre last Thursday.

Raised in this area, Burk has always been involved in local sports, both as a player and a coach. He is a dedicated sportsman who can always be counted on.

Burk is still very much involved as a coach and player in area sports, especially in baseball, hockey and curling.

Corry Ziorjen

Corry Ziorjen is involved in such a wide array of sports, she was the obvious choice for the female athlete for Anson, Hindon and Minden Townships during the Celebration '88 ceremonies Thursday.

An avid field hockey player, she was nominated for this award for her play on the Ontario Field Hockey team. But this is not the only sport at which Ziorjen excels. She plays baseball, basketball, soccer, volleyball, tennis and badminton. She has also taken up archery and horseback riding.

A student at Haliburton

Highlands Secondary School, Ziorjen is also involved in the school band and drama club. She participated in the Ontario Leadership Training Camp recently, and last summer worked for the municipality organizing a children's recreation program.

Don Campbell

Don 'Soup' Campbell was given the Celebration '88 medal for Coaching during the ceremonies for Anson, Hindon and Minden Townships last Thursday at the community centre.

Many young men in the area know Campbell for his coaching of minor hockey, through which he always stressed fair play and sportsmanship. Striving to encourage these young men to be gentlemen, Campbell was involved as a coach for many years and is still a very strong supporter of local sports.

Arnold Cowen

Whenever a hockey game is underway at the Minden arena, chances are you can look across the ice and see Arnold Cowen in the penalty box. He's not there serving time for high sticking or tripping, but as a timekeeper and game official.

Cowen was given the Celebration '88 medal for Officiating during last Thursday's Anson, Hindon and Minden awards ceremonies.

He is a strong supporter of all sports and is always willing to give a helping hand.

Harry Cowen

Harry Cowen is Anson, Hindon and Minden's medalist for the Celebration '88 Volunteer award.

In his teens, Cowen was outstanding in track and field, always placing first in the local Dominion Day celebrations. In his 20's and 30's, he excelled in baseball.

Cowen spent three years in the Armed Forces overseas with the 2nd Division in northwestern Europe. After the war, he organized and coached

(from page 10)

baseball and hockey in the area. One of his achievements at this level was coaching his team to the Rural Ontario Championships.

He advanced from coaching baseball to being an umpire, which he did for many years.

Aside from his involvement in sports, Cowen is also known as a charter member and past president of the Rotary Club. He is a member of the local curling club, the Royal Canadian Legion and of the United Church.

Dave Willis

With so many area businesses contributing to local sports, the judges must have had some difficulty in choosing which should receive the Celebration '88 Sponsorship medal.

However, Dave Willis and the Rockcliffe Tavern made the decision a little

easier with a tremendous record of financial and organizational contributions to sports and sporting events in the Minden area.

Willis, through the Rockcliffe Tavern, sponsors a men's softball team and a mixed slo-pitch team, a motorcycle enduro team and a men's recreational hockey team.

He sponsors and organizes the Annual Heineken Yard race, the Rockcliffe Tennis Tournament, the Rockcliffe Golf Tournament, and the Rockcliffe 100 motorcycle enduro.

Willis was also instrumental in having the Blackbear Car Rally start in the downtown area of Minden. He is a top-ranked provincial squash player and is involved in the organization and promotion of this sport in the county. Willis has also assisted with the annual sled dog derby, providing his facilities and helping in the promotion and organization of the event.

Building on this year's success

In spite of the weather the first snowmobile festival in Haliburton Village is being called a success, and key organizers Eric Edwards hopes a committee can be formed to make this an annual event.

With an estimated 2,500 people in the area for the enormous three-day event on February 19, 20 and 21, Edwards is satisfied that this first year is a good base to build on. Although he had initially anticipated larger numbers, poor weather took its

toll.

"Friday night's storm definitely hindered people from coming up," said Edwards when contacted last week. There was a large crowd out for the many events on Saturday, but another sudden drop in the mercury over night hurt the numbers on Sunday. "It started freezing rain, and then snowing Saturday night and the temperature drop was incredible," said Edwards. "I think it was 20 below at my place."

Because of the bad

weather a few of the planned events had to be cancelled. Friday night's storm covered the skating rink with snow and water. "The ice was completely covered and wet underneath. We couldn't do anything with it. About four o'clock, we put that on hold." By 10 p.m. Saturday the temperature started to plummet, and Edwards says it's probably best that they didn't try to salvage the skating or the bonfire.

Despite all this, the festival was an overall

success, largely due to the tremendous community support. "Overall, I would say community spirit was 120 per cent," said Edwards. He praised all the organizations and individuals that helped make it a go in spite of the weather.

A few events had to be cancelled, but there was still plenty for people to do, he said. "Everybody that we talked to ... they loved it."

From a financial standpoint, Edwards feels the festival is probably looking at a slight loss. How-

ever, this is to be expected for the first-year event. Some of the individual events, such as the dances and casino did make a profit, though. About \$3,000 was raised through these activities, which will be donated to Easter Seals and the Haliburton Hospital expansion project.

Looking ahead to next year, Edwards says he is willing to help organize the second annual festival. This time, though, he is hoping to begin planning much further in advance and establish a steering

committee to help build on the success of this first year.

"The feedback I'm getting is that the businesses in the community are behind this," he said. He hopes to have a committee struck by April to begin contacting sponsors and looking for a permanent site.

"We want to see it go again. We want to tie in other dealers, other manufacturers and start banging on doors for early corporate support".

Home Hardware stages major upset in playoffs

Home Hardware's disappointing results in the regular season are history.

For the second week in a row, the Home squad has staged a major upset. Last Monday night it was Hartwick Construction that fell victim to Home as they accepted an 8 - 4 defeat.

Home Hardware picked up only two wins in regular schedule play, and they opened the playoffs on a similar note with a loss to the Rockcliffe.

However, they upset The Times in the second week of playoff action, and last Monday they moved into a four-way tie for the playoff lead. Vasey Real Estate is the only team yet to earn a win, while Halls has one.

A lack of bench strength is partly responsible for

Hartwick's poor showing Monday. However, solid goaltending from Home's Ron Telford was equally as important.

Carl Northey and Peter Walker were the leading goal scorers for Home in this game as they each notched a pair. Single goals were scored by Scott Hamilton, Gary Nelson, Bill Giddon and Ben Manuge.

Brian Shaw scored a pair for Hartwick, while Irwin Asbell and Dave Hartwick each scored once.

Rockcliffe 10, Vasey 6

The Rockcliffe earned its second win of the playoffs in the opening game of the night Monday as the team outscored Vasey 10 - 6.

Vasey played surprisingly well in this match, but the Rockcliffe simply scored more goals. Bernie Upton topped the scoring with a hat-trick, while Lawrence Lougheed and Merv Mintz each netted two. Harold Cowen, Barry Shaw and Brian Marquardt scored once each for the Rockcliffe.

Vasey's scoring was evenly spread among Jerry Campbell, Kevin Hamilton and Norm Berry. They each scored twice in the losing effort.

Times 4, Halls 3

Halls Insurance fell one game off the lead as they were edged 4 - 3 by The Times in the final game of the night.

The Times redeemed themselves after faltering a

week earlier at the hands of the Home team. They took a commanding 3-0 lead by early in the second frame. Halls fought back in the late going, but couldn't muster the tying marker.

Sid McKeigan was the top goal scorer for The Times, bouncing two off the mesh. Dave Dollo and Tim Veniza added one each to the win.

Halls scoring was shared by Rod Finlay, Tom Haley and Jason Stamp.

With two games left in the playoff round-robin series, the doors are still wide open for any of the top five teams to advance to the championship series. The fourth round of play resumes tonight with the first game at 7 p.m.

A strong economic performance

by Bill Scott, MP

A Record Of Strong Economic Performance.

"As Canadians look ahead to a new decade and a new century, they have good reason to look forward with confidence."

The Honourable Michael Wilson, Minister of Finance, Budget Speech to the House of Commons, February 10, 1988.

In three and a half years of the solid fiscal management of the Mulroney government:

Canada has ranked number one among major

industrialized countries in economic growth and job creation;

More than 1.1 million jobs have been created. Half of those jobs have been in the higher-paid managerial and professional occupations, and 85 per cent of those jobs are full-time;

Mortgage rates are 3 percentage points lower, saving homeowners \$1,200 per year on a \$50,000 mortgage amortized over 25 years;

Housing starts reached a 10-year high; and

Consumer and invest-

ment spending has increased.

This economic reformation was carefully planned and executed, as spelled out in The Agenda for Economic Renewal presented to the House of Commons in November 1984.

Fiscal responsibility has been restored by reducing the deficit and cutting the growth of the national debt. The energy and transportation sectors have been deregulated, and financial markets have been opened to global opportunities, resulting in

greater competition in financial services. Crown corporations have been privatized to reduce the intrusion of government into the marketplace, and business framework legislation has been modernized for competition policy, copyrights and patents. Investment Canada has been created to encourage and welcome investment capital from abroad, which is creating jobs for Canadians.

An important building block is the development

Rockbuster results

Morris Anderson's Bobcaygeon rink won top honours in the Minden Curling Club's Rockbuster bonspiel held here on February 19, 20 and 21 with 32 teams competing in this men's 'spiel. This rink of Morris and John Anderson, Peter Blodgett and Dale Cosh won the A Championship trophy, which was sponsored by Frontier Motors.

Winners of the B Championship in the Rockbuster bonspiel were the Lindsay rink of Carl Northey, Merv Mintz, Brent Colliver and Steve Colliver. This trophy was sponsored by Prentice-Berry Ltd.

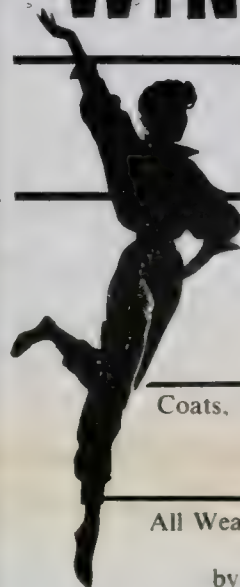

Winning the C Championship in the Minden Men's Rockbuster bonspiel was this team from Welland. Tom Krysciak, Roger Fisher, Randy Beaulieu and Len Rominger won the trophy sponsored by North Shore Lawn and Garden for their wins.

This Bradford rink captured the D Championship trophy, sponsored by Dollo's IGA, in the Rockbuster tournament. Team members include Jeff Mackie, Steve Price, Ray Burdon and Art Howe.

Police find stolen auto

Stolen auto

A 1986 Buick Skylark, the property of Barry Shaw was stolen from a residence on Horseshoe Lake Road 1 during the early morning of Sunday, February 21. The vehicle was located later on the same day by police off the road at Scotch Line Road and Bobcaygeon Road. Police have no suspects at this time.

Constable Wayne Smith

is the investigating officer.

Impaired drivers

Two snow vehicle operators have been charged with impaired operation of a snow vehicle after being stopped by police at 12:30 a.m. on February 20 on Highway 35 in the Minden area.

Theodore Kamstra, 28, of Oshawa and Robert Davey, 26, of Bowmanville have also been charged

with operating vehicles while their blood alcohol level was over 80 mgs.

In both cases, a conviction of one or both offences will result in their driver's licences and privileges to operate motor vehicles being suspended for at least one year.

Snow vehicle accident

Daniel Latimer, 22, of Aurora, was injured in an accident on February 21 when his 1981 Ski Doo Blizzard went off Kennis Lake Road and collided with a hydro pole. Latimer was injured and taken to hospital by ambulance. Due to the circumstances surrounding the accident, Latimer has been charged with failing to report an accident.

Investigating officer is Constable Mark Davis.

Recovered stolen trailer

A stolen snow vehicle trailer with one snow

vehicle was found on the Old Irondale Road at Highway 503 on February 18. The trailer and two snow vehicles had been reported stolen earlier that same day to Lindsay O.P.P. A 1984 Yamaha 340 snow vehicle is still missing.

Constable Wayne Smith is continuing his investigation.

Missing person

Daniel Davidson age 23 is reported missing from his home in the Minden area since February 13.

Davidson is described as 5'7", 140 lbs brown hair and brown eyes. He was last seen wearing blue jeans and a grey suede jacket and wearing an earring in his left ear in the shape of a dagger.

Anyone with information on his whereabouts is asked to contact police.

Constable Al Bibby is the investigating officer.

Spring break library fun

Two more special programs have been announced for branches of the Haliburton County Public Library during March break '88.

Dr. Bandoli's Travelling Good Time Show is a unique participatory story theatre presentation which uses improvisational story telling and mime to create exuberance and fun through light-hearted entertainment for audiences of all types and ages.

Audience participants are given an opportunity to try their own hand at improvisational performing, mime, juggling and clowning in a creative, fun-filled atmosphere. Picture the story of Snow White, Ali Baba, Sleeping Beauty, Aladdin or the Seven Samurai - all performed with audience members - and you can see the almost endless entertainment possibilities. Performances are led by none other than ... Dr. Bandoli ... who tells the story, feeds lines to the participants, makes and takes story line suggestions and plot twists and ensures the smooth flow of events within the show.

Remember: Dorset Elementary School at 10 a.m. on Saturday, March 12 and the Haliburton Arena on the same day at 2 p.m. You can even go twice if you want to.

But if you would rather, you can also wait until Monday, March 14 and take in Markus, another excellent performer who can take audiences of any age and grab them by the imagination. He sings new songs and old songs, he gets you involved and takes you off into the world of children. Markus is at the Glamorgan Community Centre at 10 a.m. in Gooderham, and at the Highland Grove Branch at 2 p.m., Come early for a good seat ... and come often as well.

Take in as many of the performances as you want and "beat the March break blues before they beat you."

These tremendous library programs are brought to you free through the facilities of the county library and the Outreach Ontario Program of the Ministry of Culture and Communications.

Purring in his grave

(from page 4)

ment was "conscripted if necessary, but not necessarily conscription." Was ever a human immortalized for a more mediocre statement?

I think we ought to consider shifting our priorities. It's high time we gave up the Pursuit of Excellence and set our sights on Achievement of Adequacy instead. I'm talking about a political action movement! A revolution if necessary!

No, wait ... that's radical rhetoric. Dangerous talk. We want something more, well, mediocre.

I know!

We'll appoint a Royal Commission!

And don't worry about that gentle humming sound.

That's just Minister King purring in his grave.

Dwayne Warburton had a real fighter on his line when he hooked this eight-pound lake trout while fishing on Mountain Lake last Sunday. It took close to half an hour to land this prize which measured 28 inches in length and has a girth of thirteen and a half inches. Warburton was using a minnow as bait for this catch.

COUNTY OF HALIBURTON LOAD RESTRICTIONS

ONTARIO GOVERNMENT NOTICE

REDUCED LOAD RESTRICTIONS (1988)

As outlined in The Highway Traffic Act, Reduced Loading will be in effect in Huntsville District at 12:01 a.m. Wednesday, March 2, 1988. The highways affected are:

Highway 118 from Highway 11 easterly to junction of Haliburton County Road 14, Highway 510, Highway 518 between Highway 69 and Sprucedale and from Kearney north-easterly to Sand Lake, Highway 520 from west junction of Highway 124 northwesterly to Ardbeg, Highway 559, 592, 612, 632, 7160 from south junction of Highway 11 to north junction of Highway 11 at Novar, Highway 7182 from Highway 559 northerly to Highway 69.

Local Roads Boards affected are:

South East Monteith, South Seguin Estates, East Bear Lake, Spence, Croft, Ahmic Lake, Ferrie, McKenzie, East Burpee, Burton, Ferguson, Monteith Statute Labour Board.

The above data depends on weather conditions and is subject to change. Reduced loads will be in effect when and where signs are erected. During Reduced Load season, no Special Permits for overloading or house moving will be issued in the District.

Ministry of Transportation and Communications

Minden Branch 636 Royal Canadian Legion sponsored a public speaking contest for students at Archie Stouffer Elementary School last Wednesday evening. Jessie Wallace took top honours on the junior level with Julie-Ann Adam placing second. Junior participants from the left, front row, Eric Harris, Kai Makowski, Kendra Anderson, Jessie Wallace and Julie-Ann Adam. Back row, Grant Wilson, Damon Smith, Willie Wallace, Meaghan Obee, Anna Tomlinson and Jaime Kent. Absent was Carol Mowatt.

Michelle McKnight took first place in the public speaking contest for Archie Stouffer Elementary school students last Wednesday. Kim Smith won second prize in this contest which was sponsored by Minden Branch 636 of the Royal Canadian Legion. Taking part in the event were, from the left, front row, Michelle McKnight, Tayna Berry, Vicki Beach, and Kim Smith. Back row, Carol Forrest, Stacey Kernohan and Sandy Bannon. Absent was Corbie Kent.

GULL RIVER FLOOD RISK MAPPING

All interested residents and property owners along the Gull River are invited to review the Flood Risk maps prepared under the Canada/Ontario Flood Damage Reduction Program. Representatives from the Canada/Ontario Flood Damage Reduction Program, MNR-Algonquin Region, MNR-Minden District and the municipalities will be present to discuss the policies and implications of the proposed identifications.

Congratulations

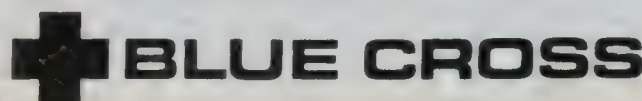

Ross Freer
Branch Manager

Blue Cross is delighted to extend corporate congratulations to Ross Freer, Branch Manager, and his staff at our Peterborough and area office on being named Blue Cross "Sales Achievement Award" winner in his region for the third consecutive year. Ross also continues as a member of the President's Council.

To the many employers, group benefits managers, agents and consultants whose support has directly contributed to Ross's success, we add our appreciation and thanks.

Ross Freer is located in the Peterborough Office at Suite 204 Peterborough Square 360 George Street North Peterborough, Ontario K9H 7E4 ☎ 705-743-0677

The New 62 cc Stihl 034 SUPER

New lightweight power and toughness come to the bush.

At only 11.9 lbs., the new 62 cc 034 SUPER delivers the best power-to-weight ratio in its class. It does more work per pound - so you use less energy handling it.

And being a Stihl chain saw, it's tough enough to carry a lifetime warranty on the electronic ignition system.

Lightweight power and a world-wide reputation for dependability - get it all in the new 034 SUPER from Stihl.

See the Stihl Power Tool line at

George Anderson hauled this huge laker through the ice at Gull Lake last weekend after about a half-hour battle. Anderson, of R.R. 1, Kinmount, caught this 15.5 lb lake trout using a herring as bait. The fish is 34 inches in length.

AIDS information night will be held

The schools in Haliburton County will be including information about the disease, AIDS, in the health education programs at the Intermediate level.

In recognition of the fact that education is the key to the prevention of the spread of this disease, we are planning a series of community information sessions. All parents of school age children and any other interested members of the community are encouraged to attend.

The sessions are designed to explain the facts about the disease, to describe how a discussion of AIDS is being included in the health education programs of the schools, to provide a panel of local professionals to answer questions, and to provide an opportunity to view audio-visual materials.

Two identical sessions are scheduled. Each will deal with both the public school and the high school programs. There will be one session on Wednesday, March 2 at 7:30 p.m. and in

the library at J.D. Hodgson Elementary School in Haliburton and the second on Tuesday, March 22 at 7:30 p.m. in the library at Archie Stouffer Elementary School in Minden.

Aerobics classes offered

Low-impact aerobics classes will again be offered on a non-profit basis at Archie Stouffer Elementary School beginning in March.

Dr. Janis Guthy of the Haliburton Chiropractic Clinic will be leading the

Tuesday and Thursday evening classes that will run for 10 weeks starting on March 22. Registration for the classes will be held at the school on March 22 at 7:45 p.m.

The one-hour classes

begin at 7 p.m. in the gymnasium, and although they are run on a non-

profit basis, there is a small fee to cover expenses. Pre-registration can be arranged by calling 457-1514.

ONTARIO HYDRO HAS FOR SALE THE FOLLOWING PICKUP TRUCK ON AN "AS IS, WHERE IS" BASIS:

891-139 - 1982 Ford F150 Pickup

Offer forms, pre-addressed and pre-numbered envelopes may be obtained and inspection of units may be arranged by contacting:

Mr. Barry Vanasse at the Minden Area Office between 8:30 and 4:30, Monday to Friday.

All offers must be accompanied by a certified cheque amounting to 10% of the total offer and mailed directly to Ontario Hydro, Investment Recovery Sales and Services, Box 640, Stn. "U", Toronto, Ontario, M8Z 5Y9, in a sealed envelope marked "Transaction Number 7005-SL".

Offers must be received in Investment Recovery Sales and Services Office by 4:00 p.m., March 8, 1988.

Gordon A. Monk Funeral Home Begins Its 4th Year With Funeral Association

The International Order of the Golden Rule, an association for reputable funeral directors, has recently announced that Gordon A. Monk Funeral Home in Minden is beginning its 4th consecutive year of membership in the Order. To continue membership, each funeral home must meet the same strict professional standards required for admittance into the Order.

To make their membership possible, Gordon A. Monk Funeral Home has to receive recommendations from local residents, clergy and other OGR members. Prior to membership, inspection of the funeral home is required along with 100% approval by IOGR's Board of Directors. The Order has over 1500 members internationally.

"As a result of the positive response we've received from the Haliburton County area Gordon A. Monk Funeral Home has proven its worthiness to be counted among our members," stated Dale L. Rollings, Executive Director. "We're proud of each and every member and what they strive to offer the communities they serve."

Members of OGR are encouraged to follow a strict code of ethics which include: believing in the application of the Golden Rule; regarding and respecting the reverent care of the human body, those bereaved, and the overall spiritual dignity of man; pledging to serve any deserving family in time of need, regardless of monetary consideration; respecting all faiths, creeds and customs; and maintaining and providing to the public complete facilities and equipment, including a highly competent and well qualified staff.

The Order of the Golden Rule was founded in 1928 and is based on the motto: "Service measured not by gold, but by the Golden rule."

Trustees review high school addition

Haliburton County Board of Education trustees got a close look at the proposed additions and renovations to the secondary school Tuesday afternoon. If approved, the project would see the addition of a 3,560 square foot library, audio visual and seminar complex, 1000 square foot addition to the existing cafeteria, an additional classroom in the business wing, and a new gymnasium storage area. In total the new construction would add 6,715 square feet to the existing building.

In addition to the new construction, the plans call for a number of renovations within the existing structure. The present library would be converted into two special education classrooms, the guidance department would be renovated, as would the administration and staff room area. Adjacent to the administration office, two public washrooms will be added. These washrooms will enable the remaining portion of the school to be closed to the public when a function is taking place in the gymnasium in the evening.

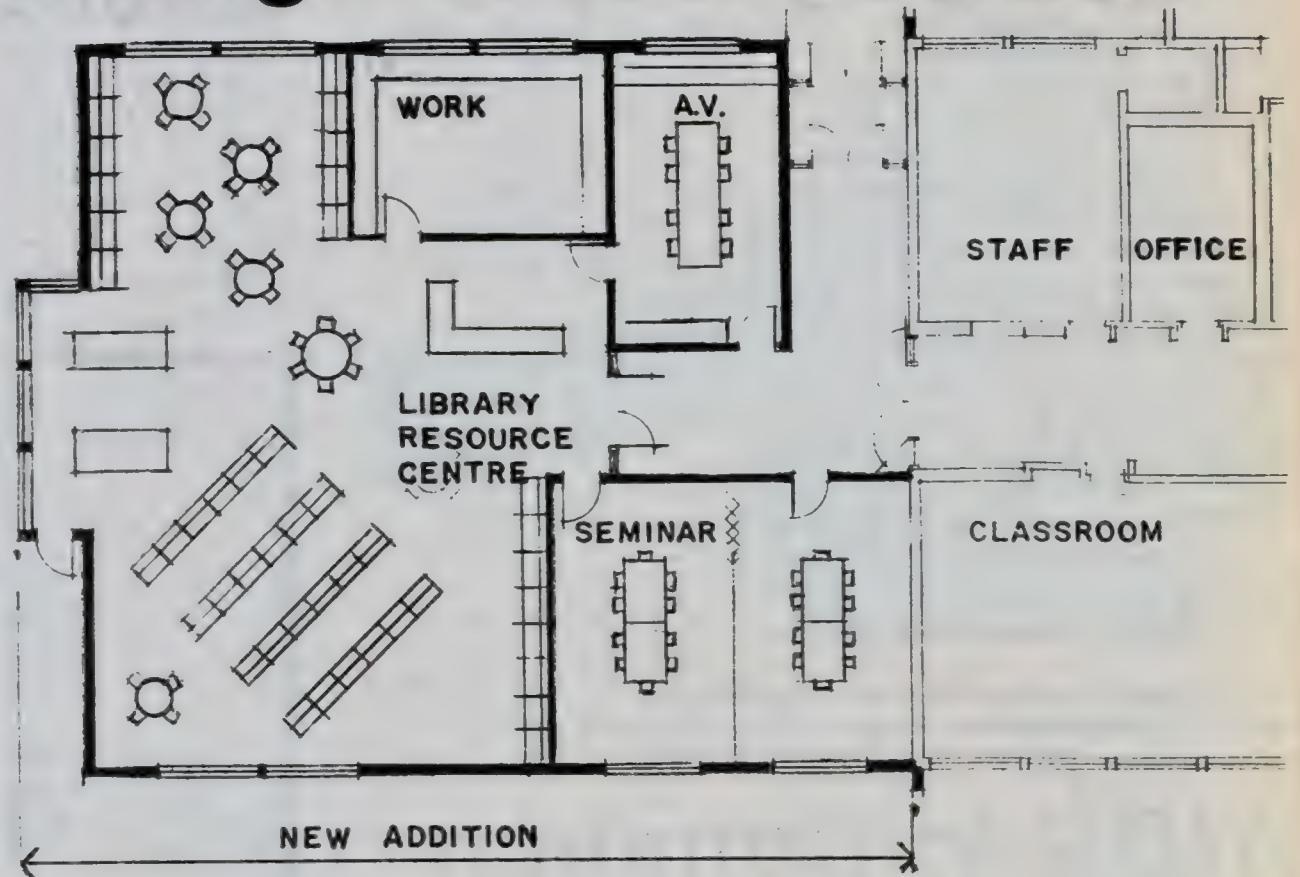

The library/resource centre is the main focus of the work being proposed. The plan displayed at the February 23 meeting of the board showed the new facility attached to the north east wing of the present structure, breaking the circular driveway at the front of the school. Included in the expansion would be a librarian's work area, an audio visual room and two smaller seminar rooms.

The school board hopes to have Ministry of Education approval for the plans soon so that construction can begin this summer. The ministry has already allocated funding for the project.

Board officials were in Toronto Friday seeking approval of the initial drawings so that detailed blueprints could be created and circulated for tendering purposes.

There is also some concern that construction firms able to handle the project will be extremely busy again this year, adding to the possibility for a delay.

Director of Education Stuart Baker told the meeting that the provincial

The new library resource centre addition will be attached to the north wing of the high school, blocking the existing circular driveway. This portion of the construction proposal will see 3,560 square feet added to the high school.

commitment for the construction project is based on 1988 dollars. He cautioned that if the

construction does not begin until the following year, the ministry will not take the loss resulting from

inflation into consideration when distributing the funds.

The costs of the new

construction will be split on a 50/50 basis between local taxpayers and the province.

Hospital drive raised \$426,551.23

It all started in an official and public way on December 4, 1986 when members of the Haliburton Highlands community gathered at the Legion Hall in Haliburton to hear a proposal to add an 18-bed extended care wing to the Haliburton Hospital.

It all ended last Monday night, February 22, when chairman of the fund-raising committee Barb Dawson handed a cheque for \$426,551.23 over to Carole Pulver the chairman of the St. Joseph's Hospital Foundation.

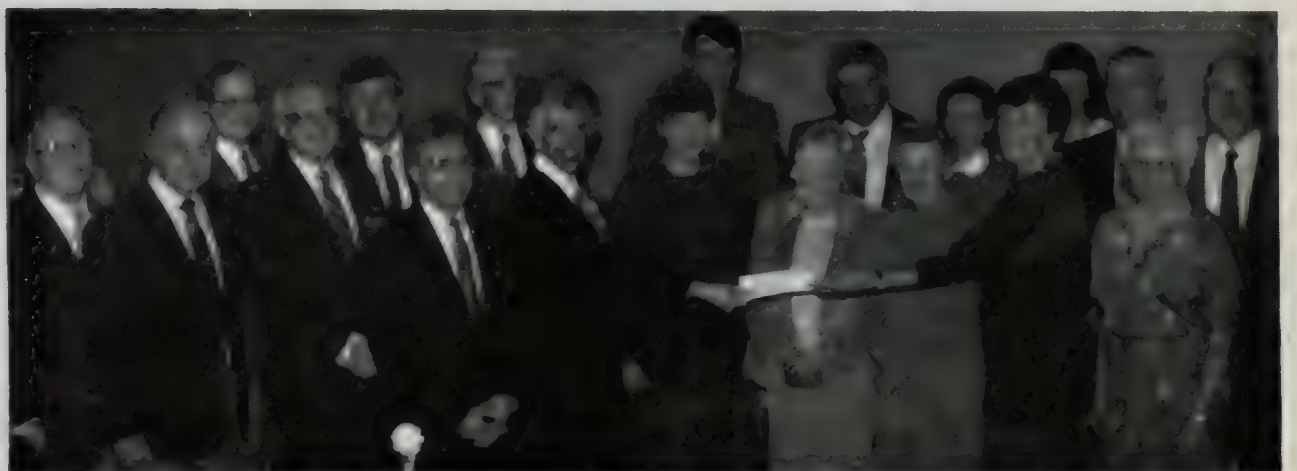

In between those two dates, the people of the county, and beyond, demonstrated a community spirit that far exceeded the expectations of even the most jaded observers. The target for the public subscription was \$240,000. The money that will be raised will exceed that amount by over \$200,000, once the outstanding pledges have all been collected.

Chairman Barb Dawson told the final meeting of the fund-raising committee at the PineStone Inn that a total of 2,581 donors

including organizations contributed to the effort.

The chairman spoke about the excitement and fun of spear-heading the fund-raising campaign. She commented on the many and varied methods employed during the campaign to solicit funds for the expansion. Some were major undertakings, while others were less spectacular, but nonetheless significant, such as a jar full of pennies gathered by youngsters at a local church. "I was proud that this was a county-wide effort," Mrs. Dawson said, commenting on the many projects undertaken during the campaign. "This was a team effort," she told the committee of volunteers. "Each of you has done a tremendous amount of work to see this project succeed."

The chairman said the outcome of the fund raising drive is even more outstanding, considering the initial target was \$240,000. The additional funds have allowed the plans to be expanded to include a basement area under the new wing where offices, storage and other

Members of the Haliburton Hospital fund raising committee gathered for their final meeting February 22. Barb Dawson, right, chairman of the organization, presented St. Joseph's Hospital Foundation chairman Carole Pulver with the proceeds of the campaign. They are surrounded by committee members and hospital officials, who included Dr. Harry Good, Harry Davis, Kevin Cummings, Leo Doiron, Bill Kulas, Bob Nichol, Murray Agnew, Sister Veronica O'Reilly, Dr. Bob Heyes, Elinor Holmes, Canon Bill Moore, Irene Davis, Nancy Brink, Linda Porter, Don Popple, Dorel Baker and Ken Wilson.

patient services can be located.

Mrs. Dawson noted that 30 individuals in the county contributed more than \$2,500 each. Their exceptional support of the drive will be noted on a special plaque in the new facility where these people will be named Patrons of the Hospital. In reviewing the amount raised, the chairman provided a breakdown of the sources: businesses contributed

\$70,000; youths \$26,000; the general public \$74,000; memorial donations \$37,000; service clubs \$68,000; and special donations \$173,000.

"It has been a pleasure to have been your chairman," Mrs. Dawson concluded. "I am now looking forward to the bricks and mortar."

St. Joseph's Hospital Administrator Leo Doiron praised the fund-raising committee for their success. "Each time I

received an update on your activities, I was amazed with the energy of this community. You have done a tremendous job." He noted, in particular the chairman, and her leading role in the effort, as well as that of Irene Davis and Elinor Holmes, who assisted the chairman in the day-to-day operation of the drive.

He had particular praise for the low cost of raising the more than \$400,000.

He noted that the expenses of the committee were only \$8,700, which represents 2 per cent of the total. He told the meeting that most fund-raising drives plan to spend 10 per cent of the target on achieving their goal.

Commenting on the progress of the new building, Mr. Doiron told the meeting the architects are currently preparing working drawings of the structure. He said

(more on page 21)

Bill Scott

(from page 12)

of a fairer and more effective tax system. On January 1 of this year, major reforms to our tax system went into effect. More than eight out of ten households will see their personal income taxes reduced. About 850,000 lower-income individuals will have their income tax reduced to zero. Almost nine out of ten Canadians aged 65 and over will have income tax reductions.

Our corporate tax system has also been reformed. Business and investment decisions will be based more on economic merit than on tax considerations. At the same time, many more profitable corporations will pay tax, and corporate income tax will contribute a larger share of total tax revenues.

Another key aspect has been securing and improving access to world markets. The Free Trade Agreement will strengthen Canada's competitive position in the world. Prices for a wide range of consumer goods will decline; expanding the purchasing power of Canadian households. Investment in plant and equipment will expand as Canadian firms move to take advantage of their

enhanced access to the huge U.S. market.

It is estimated that there will be a net increase of 120,000 new jobs by 1993. It is also expected that by the time the agreement is completed, the real incomes of Canadians will be increased permanently by about \$1,800 per year for a family of four.

A strong framework for growth and job creation depends upon responsible fiscal management. In 1984, the federal deficit and the national debt were out of control. The deficit was more than \$38 billion - up from \$11.5 billion in 1979. The national debt had more than doubled in the same period. If we had continued to pile up public debt at the same rate, today the debt would be more than \$100 billion higher than it is - equivalent to \$16,000 more for a family of four.

In the last budget, Michael Wilson announced that the deficit would be cut to \$29.3 billion. This target has been achieved.

The most effective way of dealing with this public debt load is to cut government spending and increase revenues. In this budget, Michael Wilson announced government spending cuts of more than \$300 million beginning in

1989 - 90. To raise revenues, the tax on gasoline, excluding diesel fuel, will be increased by one cent per litre effective April 1, 1988. The rebate on gasoline purchased by farmers, fishermen and other primary producers will be increased by this amount.

Our expanding economy provides the means to maintain the social services that are an integral part of the Canadian way of life. The government is introducing a National Child Care Strategy which will offer parents greater choices in caring for their children and will make available more good quality, affordable child care facilities.

We are also embarked

on a long-term strategy to apply science, technology and innovation in strengthening economic growth and development. Proposals are being implemented to strengthen and modernize the Canadian Armed Forces.

Substantial support is being provided to Canada's farm community in the face of severe international conditions, through existing programs as well as supplementary assistance. In addition, there is wide-ranging support for the development of Canada's vital energy industry, through energy accords with the producing provinces, the elimination of the PGRT, and the creation of the Canadian Exploration and

Development Incentive Program.

Canada is indeed on the road to economic revitalization. There is much more to be done, and much more is being done. The

THE TIMES Page 21

Mulroney government stands firm in the resolve that a strong economy today will build a better future for our children and grandchildren.

Fund raising

(from page 20)

approval by the Ministry of Health has delayed the project and it could be this fall before construction can begin. It is expected to take approximately 52 weeks to complete the construction. He said the hospital board of governors would be seeking the assistance of Victoria - Haliburton MPP John Eakins in expediting the ministry approval process.

Carole Pulver, who

accepted the funds congratulated the committee on their success and paid tribute to the community for its support of the effort.

Before the evening ended, committee member, Stanhope Reeve Harry Davis, offered a formal resolution to dissolve the committee. With the unanimous approval of all in attendance, the committee saw its existence come to a quiet and successful end.

voices of hhss

and Heather Donaldson

G'day! Hope Carnival Day wasn't too strenuous for any body, and that any bruises you might have gotten have cleared up. Our Spirit Week turned out to be a huge success, with our annual Carnival Day on Wednesday heading the fun. Interesting games, such as Twister and "pass-the-orange" were played, while others

dressed according to the day; for example, Tuesday involved people dressing entirely in their favourite colour, and Thursday, we dressed as our favourite sport. The Grade 13 Slave Auction and Slave Day also helped to raise a lot of money to support their graduation. It was like "backward initiation" for the 13's, and fun for those who spent their hard-earned money on them. Even the teachers got into the fun with Wednesday's Pancake Breakfast, which they cooked and served. It wasn't bad, either! Generally, a good show of school

spirit was shown by most students, as well as teacher.

Our cross country ski team did extremely well in OFFSA competition, with an excellent showing by our competitors, considering it's their first year. Our curling teams also had a good showing at the recent bonspiel, with two teams advancing to the Kawarthas on Tuesday. Also in team sports, our hockey team (at time of writing) is doing well. It just goes to show them that Hal High can compete with other, even bigger schools with more students.

We do realize that this week's entry is rather short, as have been the last few, but we'll be on the ball come March break. Ah, a week of peace and quiet away from brain-draining work! It'll be nice!

Well, we'd best pen-off here. Page 225, no. 17-23 have to be done for Physics, work is "as clear as mud", as Mr. Cooper would say.

Until next week...

On Saturday, February 20, the Men of Branch 441 Kinmount Legion put on a super roast beef supper for the Ladies Auxiliary to thank them for their efforts of the year past. The main cook was Murray King and the second cook was Art Owens with his helpers Keith and Jim Hockley. Keith also had a lovely table set with hors d'oeuvres that he made which tasted great. Thanks also goes to Bill Wilson, Jack Hills, Don Holden and Bob Hollobon for their work in the kitchen. It would have done your heart good to have seen and eaten the great meal prepared and set up by these men. There was a special guest with us, our Zone Commander Gwen Cox of the Ladies Auxiliary. A dance followed. Our thanks to Ken Stewart for being our D.J. and Randy Grozelle

on the bar. A good time was had by all. Our thanks to all who participated in making the evening a great success.

The Minden Brownies hosted the Haliburton and Wilberforce Guides and Brownies at the United Church on February 22.

Don't forget the World Day of Prayer March 4 at Hyland Crest at 2 p.m. All are welcome.

Congratulations to Alex Stevenson and Bill Cowen on their receipt of Celebration '88 awards in Stanhope.

Winners at Club 35's card party this week include: most lone hands - George Alsop, high lady - Jean Randall, high man - Clarence Bunker, door prize - Kitty Gibbons and

others - Eleanor Bunker, Jim Bradbury and Shirley Bunker.

Winners at this week's card party at St. Paul's were - lone hands - Pearl Cowen, men's high - Marg McAfee, men's low - Jack Weekes, ladies high - Linda Pentney, and ladies low - Edna Trumbull.

David Roylance with Kelly and Kyle from Newmarket visited with his parents Lil and Ernie Roylance.

Carole Lacey and Jaimie Jones from Toronto visited with their parents in the Kinmount area.

Dorothy Boyd, Lee Oster, Bob Reynolds, Al Stott and Al Titus were winners in the Minden Lions Hockey Pool.

Our deepest sympathy to the family and friends of the late Duncan Prentice. Also to the family and friends of Norman Price of Scarborough who was a long time resident of our area and had once owned the Maebur.

Father George, Linda and family are home after a lovely vacation in Florida.

Mr. and Mrs. Fred Hewitt and son visited with his mother, Joyce Hewitt, over the weekend.

Glad to hear that Marie Austen and Sandy Stewart are back home from hospital.

Winners of the card games at Gelert were - lone hands - Chris Hill, ladies high was Joyce Hills, ladies low was Dorothy Milburn, men's high was Bob Vic, men's low was Bruce O'Brien. Next game will be in 2 weeks on March 8th.

Larry and Sonya Harrison of West Hill visited with Mr. and Mrs., Roland Sedgewick over the weekend and also had a visit with the Stewart Harrisons.

Sorry to hear that Herb Hancock and Ken MacIlwain and Tex White are in hospital. Hope they are soon home.

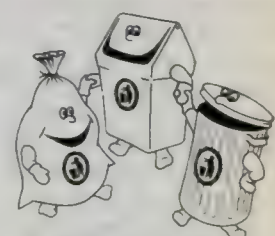

Upcoming events: Horticulture meeting Tuesday, March 1st, 7:30 p.m. in the Court Room. Slides on Australia by Dean Solway. Also Horticultural Bus Trip March 2nd. Bus leaves Municipal Parking Lot at 8 a.m. sharp. Agricultural Society, sponsors of the Haliburton County Fair, meeting Tuesday, March 8th at 7:30 p.m. at Mary Jane Irwin's house.

March 5th - West Guilford Snow Shuffle, ski-doo rides, dinner and dance at the Community Centre.

Marta, Colombia, South America.

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT: and IN THE MATTER of a proposed By-law of the Corporation of the Township of Lutterworth, to stop up, close and convey the unused portion of Humphrey Road, located in Part of Lots 19 & 20, Concession 7; - being Parts 2 and 3 on Plan 19R-3930, in the Township of Lutterworth and to convey the aforesaid Road Allowance Portion to the abutting property owner.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Section 298, of The Municipal Act, R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers 3 miles south of Minden, on Highway No. 35, on Tuesday, March 29th, 1988 at the hour of 4:30 p.m., a By-law to stop up, close and convey the parcel of land more particularly described as follows: -

SCHEDULE "A"

ALL OF the Part of the unused portion of Humphrey Road, located in Part of Lots 19 & 20, in Concession 7, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 2 & 3 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan - 19R-3930.

AND, in addition, to convey Parts 2 & 3 to the owners of the abutting Instrument Number 10895.

A copy of the Survey Plan 19R-3930 is attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that, before passing of the said By-law at its Meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 19th day of February, 1988.

senior league

by Pearl Lyle

Hello Readers: Beautiful weather after the nice snow fall. Service Sunday evening was by Gord Sharpless and on Tuesday morning by Rev. D. Kent of Minden Baptist Church.

Mr. and Mrs. Eldon Deacon have gone on a trip to Calgary and points west. Mrs. Curry had her granddaughter as a dinner guest Sunday evening. Mrs. Kirkpatrick had her daughter and son-in-law to visit her on the weekend.

I am sorry to report Mrs. Hunter on the sick list, do hope she will be better soon. Ruby Lewis is still not very well. Mrs. Carefoot had a visit from her daughter on Sunday afternoon. Alice Todd tells me she had a visit from her son Harold and his wife Fran, and they brought her a lovely afghan.

Friday night we had a pleasant time with Bill Payne, Al Blanchard and George Hunt supplying music and singing. "My Little Girl" was first by all three. Al followed with "My Mother's Eyes", Bill came along with "Bill Bailey Won't You Please Come Home". Then George with his four string guitar played "The Chinese Breakdown", followed by Al "Down Behind The Barn", and "Walk Down the By-way". Then Bill with "When My Blue Moon Turns To Gold",

"Five Foot Two", and "Has Anybody Seen My Gal". George came along with "Have I Told You Lately That I Love You," then Al with "That Old Barn Dance". Then music by all three, George sang "Just Bobbin Around". I sometimes wonder if Bill exaggerates a bit like saying he copied 1200 of George's songs. All three sang "This Land is Your Land" and "Shanty Town". Then George sang "Love Me" and all three came along with "Just Because" and "Someone Like You". All three again with "Old Banjo" and "If You Were the Only Girl in the World". In conclusion they rendered the beautiful "Among My Last Souvenirs" and "My Pretty Fraulein". Winnie Barnum thanked the gentlemen for a wonderful performance which was certainly enjoyed by everyone present. (I think I missed one tune "Till We Meet Again.") A cup of tea was served and we hope they will come again.

The Junior U.C.W. Ladies from the Minden United Church brought our Thursday afternoon tea and goodies last week. It was lovely and much enjoyed by everyone.

Au Revoir.

"We service what we sell"

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

Q: What stays indoors no matter how many times you put it out?

A: The light.

Q: What did the lumberjack shout when the tree fell too soon?

A: Tim...

Q: What happened to the man who took a 100 ft. dive into a glass of root beer?

A: Nothing, it was a soft drink.

What is a senior?

Minden resident Cy Heal is currently enjoying the warm weather of Florida, along with any other people from this area. Cy wrote to us recently, noting that the weather in the "sunny south" hasn't been all that good this year. He also included the following "Profile of a Senior" and suggested it would be of interest to our readers.

A Senior Citizen is one who was here before the Pill and Population Explosion. We were here before T.V., penicillin, polio shots, antibiotics, and frisbees. Before frozen foods, nylon, dacron, Xerox, Kinsey, radar, fluorescent lights, credit cards and ball point pens. For us timesharing meant togetherness, not computers. A chip was a piece of wood, hardware meant hard wear, and software wasn't even a word. Co-eds

never wore slacks. We were before ice makers, dishwashers, clothes dryers, freezers, and electric blankets. Before men wore long hair and women wore tuxedos.

We were before yogurt, Ann Landers, plastic, the 40 hour week and the minimum wage. We got married first and then lived together. How quaint can one be?

Closets were for clothes not for coming out of, bunnies were small rabbits and rabbits were not Volkswagens. We were before Grandma Moses, Frank Sinatra, and cup-sized bras. Girls wore Peter Pan collars and thought cleavage was something butchers did.

We were before Batman, Rudolph the Red-nosed Reindeer and Snoopy. Before DDT, vitamin pills

and pizza. Instant coffee, decaffienated anything and McDonalds were all unheard of. We thought fast food was what you ate during lent. We were before Boy George, FM radios, tape recorders, typewriters, disco-dancing - and that's not all bad!

In our day cigarette smoking was very fashionable. Coke was a refreshing drink and pot was something you cooked in. If we were asked to explain MS, NATO, UFO, NHL, JFK or IUD, we would say alphabet soup.

We are today's Senior Citizens, a hardy bunch when you think of how OUR world has changed and of the adjustments we have had to make!!

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

IN THE MATTER OF THE Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up and close to vehicular traffic a presently travelled Township Road known as Orde Street.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) (a) of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider and if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on March 10, 1988, at the hour of 10:00 a.m., a By-law to stop up and close to vehicular traffic, pursuant to Section 298 (10), The Municipal Act, R.S.O. 1980, the presently travelled Township Road more particularly described as follows:

Part of the Original Road Allowance along the North shore of the Gull River, flowing through Lot 3, Concession A, Township of Anson, County of Haliburton, being Part 1 on Plan 19R-3992, being the entrance of Orde Street on Bobcaygeon Road at the Northwest corner of Sunnybrook Bridge.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT; AND IN THE MATTER OF A PROPOSED BY-LAW OF THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH TO CLOSE, STOP-UP AND CONVEY CERTAIN PORTIONS OF AN ORIGINAL ALLOWANCE FOR ROAD BETWEEN LOTS 5 AND 6, CONCESSION II, TOWNSHIP OF LUTTERWORTH, COUNTY OF HALIBURTON, MORE PARTICULARLY HEREINAFTER DESCRIBED.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Section 298 and Section 301 of the Municipal Corporation, R.S.O., as amended, that the Township Council proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, R.R. 1, Minden, Ontario on Thursday, April 21st, 1988, a By-Law to close, stop-up and convey to the adjacent land owners the following described lands:

Part of the Original Allowance for Road between Lots 5 and 6, Concession II, Township of Lutterworth, County of Haliburton, being designated as Parts 1 and 2 on Plan 19R-3981.

The Plan of Survey 19R-3981 as referred to above is available for inspection during regular office hours at the Township of Lutterworth offices, R.R. 1, Minden, Ontario.

AND TAKE FURTHER NOTICE that before passing the said By-Law at the Meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the Township of Lutterworth, shall then and there hear in person or by his counsel, solicitor or agent, any person who claims that his land will be affected by the said By-Law and who applies to be heard.

DATED at Minden, Ontario this 29th day of February, 1988.

Jeune Simpson,
Clerk-Treasurer.

THE TOWNSHIPS OF ANSON, HINDON & MINDEN

requires

A Park Manager

who will be responsible to the Parks Committee and the Municipal Council.

- to supervise personnel engaged in the Parks management.
- to control the security and maintenance of all Parks vehicles, equipment and buildings, charged to the Department.
- to prepare an annual works budget, grants, and to control budget expenditures.
- any other duties assigned by Council and Parks Committee from time to time.

The successful applicant must have experience in a supervisory position, with knowledge of maintenance on equipment and building of accessory items.

The position demands excellent organizational and communicative skills as well as leadership, management and public relations abilities.

Salary will be commensurate with qualifications and experience.

Applicants are requested to send detailed resume of previous experience, education and employment references to the undersigned not later than March 11, 1988.

Mary Mysyk, A.M.C.T.,
Clerk-Treasurer,
Townships of Anson, Hindon & Minden,
P.O. Box 98,
Minden, Ontario. KOM 2K0.

Gardeners gearing up for another season

- submitted -

Members of the Minden and District Horticultural Society are all geared up for the coming year.

With the Annual Meeting behind them and the new Directorate established, an interesting year is anticipated.

The Director of District No. 4, Mr. Jim Trotter of Hastings attended the Annual Meeting bringing warm wishes from the Ontario Horticultural Association. He conducted the installation of the 1988 Directorate.

Past President - Bob Herrington (Chairman of Planting); President - Illa Cooper; Vice President - Jean Lacey; Secretary - Nancy Cook; Treasurer - Marion Ingram.

Directors: Denzil Cox - Chairman of Programs; Marion Hill, Chairman of Photography; Shirley

Colliss, Chairman of Membership; Mary Anne Wilson, Chairman of Juniors; Joan Rivard, Chairman Assistant to Juniors; Gwen Cox, Chairman of Draws; Peggy Harrington, Convenor of the 1988 Flower Show; Lorna Roland and Ellen Holden, Directors.

The 76 persons who attended the annual meeting were the beneficiaries of a most informative presentation of gardening by Dr. Robert Heyes of

Haliburton. You could have heard a pin drop as those in attendance were deeply entranced in what they heard and by what they saw on screen. Dr. Heyes took us through

every procedure, from the choosing of seed, the preparation of the soil, the fertilizer - through seeding, nurturing, transplanting, growth and care, to harvest

and then the preservation thereafter. Very beautiful photography of all this plus many magnificent pictures of flowers, especially lilies in which he specializes.

Marion Hill, our Society's photographer presented her 1987 pictures of local gardens. Everyone kept watch to see if their own gardens would pop up and were not disappointed. Marion did a super job and would be pleased this coming season if you would phone her when you have a garden, or a special plant that you would like to be included in next year's show.

At the present time everyone is looking forward to the bus trip to the Garden Club of Toronto Flower Show at Casa Loma on March 2. What a lift into spring this will give. Thousands of plants are now being

forced into bloom for this show. So it's all aboard at 8 a.m. that day.

The Minden Horts will host the annual Spring Seminar on April 30 at the Minden Community Centre Auditorium. Plans for this are well under way.

The first general meeting of this year will be held in the Court Room on Tuesday, March 1 at 7:30 p.m. and guess what? It takes us down under - to Australia. Dean Solway who attended the Scouts Jamboree at Christmas time in Australia will be telling us of his experience there. This ought to be a most interesting topic and of great interest to all.

There will be a number of contests again this year, including the famous Largest Pumpkin and Sunflower Heads, which have certainly gained in popularity.

There will be others -

you will hear about these at a later date. Plans are that there will be a Workshop for Flower Arranging, a great help for those who have had no instruction along these lines.

There will be competitions again this year at the regular Meeting. This provides opportunity to compete at a level - gaining

experience for the Shows. The list for this will soon be available.

"Celebration" will be the theme of this year's Flower Show - August 11 - 12. Plans for that are well under way.

Please feel free to come to the meetings, the first Tuesday of each month. See you there!

Seniors invited to tea

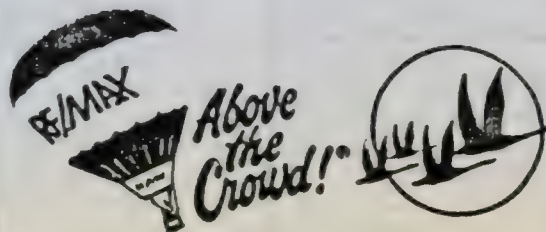

by Virginia Muenzel

At 1 p.m., Tuesday, March 1st, the Gallery will be holding its first Senior's Tea and Tour. These afternoons will be set aside for all our friends within the Senior community, beginning with a brief guided tour of the current exhibit by our curator. After the tour, tea will be served using a tea service donated by Wendy Bateman. Please bring a friend and join us on the first Tuesday of each month.

Finally, would all Guild members who are planning to submit entries into the Celebration '88: Best of members show, please let the curator know of your plans. The entries MUST be in the Gallery no later than March 12th. The Guild would be delighted to be able to show the wide variety of the members' fine art and craftwork.

Plan your escape

Knowing what to do in the event of a fire in your home can prevent injury or death. Plan escape routes from all parts of your home and know how to contact your fire department. Discuss the plan with every member of your family, including children and overnight guests on what to do in the event of fire.

CARD OF THANKS

I would like to thank Dr.
Dawson and Dr. Moga, the
nurses and staff at Minden
Hospital for their kindness
and attention during my
stay. Also thanks to family
and friends for visits,
flowers, gifts and cards.
Mrs. Vivian Kernohan

CARD OF THANKS

Last Friday, February 19,
we had a belated Pioneer
Christmas Exhibit. It went
over extremely well, and we
would like to thank the
people who helped us with
the research and presenta-
tion of this project. Mrs.
Thayer for the fashion
research, Mr. Graham, Mr.
Carson and Mrs. Tomlinson
for props, Mr. Baker, Mr.
Brydon and Mrs. Laduran-
taye for taking the time to
come to our exhibit, Mr.
Reid and the rest of the
Senior Enrichment class for
their ideas and comments.
Our families for supporting
us, and coping with our
preparations, the Dawsons
and the Zwechers for lend-
ing us the cabin for the day.
Special thanks to Shannon
Tripp for her help and assist-
ance throughout the open
house. Thank you very
much. We really appreciated
your help.
Julie Bird, Catya Hynard,
Kerry Brezina.

The family of the late Vera
Howe of Minden wish to
express their sincere thanks
to all friends and relatives
for flowers, food, cards,
donations, prayers and
support during the loss of a
dear wife, mother and
grandmother. Special
thanks to the ladies of
Staanworth Court for the
lovely lunch following the
service. Our appreciation to
Rev. E. Moll and the Monk
Funeral Home for their
comfort and understanding.
Henry Howe & family

To all our friends thank you
for your phone calls, house
calls, cards and donations to
a charity in Frank's
memory. Special thanks to
Sharron and Carl Harrison,
Stanhope, Joyce and Keith,
Minden and Gord Eldridge-
Toronto.
Iris Taylor and family

AT REST

DEACON
Harold William

- suddenly at Minden on
Thursday, February 25th,
1988 in his 71st year,
beloved husband of Elva
McFadyen, dear father of
Lois of Brockville, dear
brother of Olive (Mrs.
Archie Jewell) of Kirkfield,
Hazel (Mrs. Van Valken-
burg) of Bobcaygeon and
Eldon of Minden, prede-
ceased by Alice (Mrs.
Duncan McMillan) and
Elva (Mrs. Ken Richmond).
Resting at the Gordon A.
Monk Funeral Home,
Minden. Funeral Service at
Minden United Church on
Monday, February 29th at
2:00 p.m. Spring Interment
Minden Cemetery. Memori-
al donations to Minden
United Church or Minden
Hospital would be apprecia-
ted.

PRENTICE
Duncan Buchanan

- at the Minden Hospital on
Sunday, February 21st, in
his 71st year, dear husband
of Alice Prentice and the late
Millie Redner, dear father of
Tom and predeceased by
Betty Ann; step-father of
Pat Bain, dear father-in-law
of Marg and Gerald, loving
papa of Jack, Tom Jr.,
Terry, Tony, Marsha, Craig
and Tricia, dear brother of
Maron Rose, predeceased
by Morgan, fondly remem-
bered by his sister-in-law
Lola Prentice. Rested at the
Gordon A. Monk Funeral
Home, Minden. Funeral
Service was held in the
chapel on Wednesday, Feb-
ruary 24th, 1988 at 1:30 p.m.
Spring interment Minden
Cemetery. Memorial dona-
tions to the Shiloh Christian
Centre of Ontario, United
Church Women's Institute
or Canadian Cancer Society
would be appreciated by the
family.

IN MEMORIAM

BAGSHAW: In loving
memory of a dear husband,
father and grandfather
Tom, who passed away
February 26, 1950.

'Tis sweet to know we'll meet
again
Where troubles are no more

And that the one we loved so
well
Has just gone on before.
Lovingly remembered and
sadly missed by wife Vera,
son Tommy, daughter-in-
law Marilyn and grand-
children Lisa, Tommy Jr.
and Kimberley.
